RE: Interstate Brick  
Koosharem Clay Pit  
ML-27110 and ML-27206  
Piute County, Utah  
ACT/031/002

Dear John:

Mr. Don Fullmer came into our office on Friday, January 26, 1979, to discuss my letter of January 23, 1979, concerning the posting of a bond in the amount of \$4,548.00 for total reclamation of that portion of the Koosharem Clay Pit operation in Piute County existing on state-owned land.

There is some disagreement on the amount of surety and who should be the responsible party, Mr. Fullmer, as the lease holder, or Interstate Brick, as the operator.

Mr. John T. Blake

Mr. Fullmer is requesting that any action concerning cancellation of the state leases involved be postponed until such time as the weather will permit a field investigation and reevaluation of the surety. Also, a determination must be made regarding the party responsible for posting the surety.

If this request poses a problem with the Division of State Lands, please advise. Thank you for your attention in this matter.

Sincerely,

JAMES W. SMITH, JR.
